VERIFICATION AND REQUEST TO JOIN AS CREDITOR

Personally appeared before me the undersigned officer authorized to administer oaths DAN BEYER, who after first being duly sworn, deposes and states as follows:

1. My name is Daniel Beyer. I am over the age of 21, and I am authorized and competent to make this verification. The statements contained herein are done on personal knowledge of all the facts pertaining thereto.

2. I am the chief financial officer of Beyer Graphics Inc., a corporation having its principal offices at 30 Austin Blvd., Commack, NY 11725 (hereinafter "Beyer"). I am authorized to make this request on behalf of Beyer to join as a petitioning creditor.

3. Beyer is the holder of an unsecured, non-contingent claim against the Debtor in the amount of \$37,065.53 for goods sold and delivered, together with \$18,400.73 invoiced and owed for goods which will not ship until the invoice is paid, for a total of \$55,466.26, as set forth on the attached statement of account, and there exists no bona fide dispute concerning that claim.

4. The allegations made in the involuntary petition filed before this honorable bankruptcy court on June 18, 2010, as amended on June 21, 2010, are true and correct as stated therein. Beyer desires to join in the involuntary bankruptcy petition filed in this matter, and

requests that it be made a petitioner therein and thereto. Beyer therefore reiterates all allegations made in such involuntary petition as its own.

Another creditor is joining. See attached.

I went back to the Oretch docket and the petitioners' lawyer in that case was filing these as "Declaration" and then putting the full title in the free field. Mark it as related to the petition and amended petition.

Also, we need to do a COS showing that this was served by mail on the US Trustee, Maggie Puccini of Gilesby Falligant, and:
